IMPORTANT NOTICE.

The time specified in the Time Tables is the departure from the station when the times of arrival and departure are not stated, and in such cases the trains should ARRIVE in sufficient time to enable the work to be done, in order to leave the Station at the time appointed.

The advertised departure times of Passenger Trains in a number of instances are slightly earlier than the Service Book times, and the former must be used in all quotations to the public. The trains must also leave at the ADVERTISED time whenever practicable.
